

Charlie and the Great Glass Elevator

SIDE 3 – Willy Wonka – gibberish

- Feel free to be creative, and provide odd and unusual variations
- Different voices are good

1 - (*Perhaps done as a poem, but choose whatever style you like*).

"In the quelchy quaggy sogmire,
In the mashy mideous harshland,
At the witchy hour of gloomness,
All the grobes come oozing home.

So start to run! Oh, skid and daddle,
Through the slubber slush and sossel!
Skip jump hop and try to skaddle!
All the grobes are on the roam!"

2 – (*Jibberish talk – ad libs are OK, words in **Bold** should be read as is and represent real phrases*).

Fimbo Feezi! Bungo buni! Bungo buni... Dafu duni... **Yubee luni!**

(A brief pause, then silence.)

Zoonk-zoonk-zoonk-zoonk-zoonk!

(He displays confidence and authority in his manner, speaking slowly but firmly.)

Katikati **moons un stars**, Fanfanisha **Venus Mars!**

(He pauses dramatically for a few seconds, then takes an enormous deep breath and, in a wild and fearsome voice, yells out.)
