

## **ASTER & MOLLY**

ASTER: Daughter. A word. There isn't any treasure in the Queen's trunk, and what is in it has to be destroyed, by order of Her Majesty, Queen Victoria.

MOLLY: God Save Her.

ASTER: I'll have to move quickly before the King of Rundoon even knows I'm there.

MOLLY: But how are you going to destroy it?

ASTER: Put this around your neck, and don't ever take this off or let anyone else touch it. You know what's in this amulet, Molly. And you know how to use it if you're ever in trouble.

MOLLY: But what if something happens to you? You need me on the Wasp.

ASTER: Too dangerous - I won't have it.

MOLLY: I want to be part of the mission!

ASTER: If you can't be British, you can go straight home and back to school, young lady.
